

**Clear Falls High School
Agriculture Science
Floral Design
2020-2021**

Instructor:

Ms. Kori Adams

Room 4207

School # (281) 284-1100

E-mail – kadams1@ccisd.net

Course Description:

Students shall be awarded one credit for successful completion of this course. This is a year long course. This course is recommended for students in the 10th - 12th grades.

This course will satisfy Fine Art graduation requirements.

Nature of the Course:

This course prepares students for careers in floral art and design. It is a laboratory-oriented course designed to provide students technical knowledge and skills related to horticultural systems, career opportunities, entry requirements, and industry expectations. This course is designed to develop students' ability to identify and demonstrate the principles and techniques related to floral design as well as develop an understanding of the management of floral enterprises

Design Portfolio:

Each student is expected to keep and maintain a design portfolio which will include design mechanics, step by step instructions, design sketch, cost of materials, and the retail mark up. This will count as many daily and major grades throughout the year.

Grading Policy:

Your nine weeks grade will be calculated by the following percentages

55% Daily Grades

40% Exam Grades

5% Reading Grade

Classroom / Laboratory Policy:

- ✓ **No Food**
- ✓ Be on time
- ✓ Be prepared
- ✓ Be honest
- ✓ Be courteous

Course Supply List:

- Notebook Paper
- Pen or Pencil
- Folder with brads

Behavior Intervention Policy:

1st Offence – Student will receive a verbal warning

2nd Offence – Student will be referred to the office for discipline

Major Project:

Students will complete a major wedding project that will begin on January 5th and is due January 20th by the end of the students class period. Please note that UIL and other school activities will not excuse you from turning your project in on time. Students will be able to work on and complete this project during class time. If they don't finish they will be expected to complete it as homework. This assignment will not be accepted late.

PRINCIPLES OF FLORAL DESIGN

Lab Fee Requirement

Dear Parent/Guardian,

In order for your student to fully receive the benefits of this class, a \$100.00 lab fee is required to cover the costs of fresh floral materials, supplies and plant materials. For \$100.00 your student will make and take home several flower designs. These may include, but are not limited to:

- homecoming mum
- flower pen
- corsage
- boutonnière
- round design
- asymmetrical design
- symmetrical design
- poly mesh wreath
- bud vase
- candy bouquet design
- floral business project
- tropical design
- wedding project
- wedding bouquet

The collective value of the projects has a total retail value in excess of \$200.00. Your student will be receiving an educational experience packed with valuable skills as well as taking home "bargain" projects.

All lab fees must be paid no later than October 5, 2020 so those lab projects may begin. Please see the attached document about paying your students course fees online through Skyward. If you cannot or choose to not pay the lab fee, you may find a sponsor for your student.

In addition to completing the required lab projects for each individual student, the floral design students may also have the opportunity to design projects that will be available for the faculty, student body and parents. These opportunities may include holidays, weddings, banquets and other special events.

It is strongly recommended that students join the Clear Falls High School FFA Chapter. There are many leadership and career development activities and events that directly relate to this Floral Design class, which will greatly enhance your student's high school experiences. Participation in these events will be limited to FFA members. FFA dues are \$30.00 annually which can be directly paid to Ms. Adams in the form of cash or check made out to CFHS. If you have any questions or concerns, please do not hesitate to contact me at kadams1@ccisd.net.

Thank You,

Kori Adams

PRINCIPLES OF FLORAL DESIGN
Lab Fee Agreement

- I have read and understand the course syllabus for Principles and Elements of Floral Design.
- I understand that the lab fee for this class is \$100.00 and I should pay for this online through Skyward starting late September. If I don't have access to pay online I will pay the bookkeeper with either cash or check made out to CFHS.
- I understand that for this fee, my student will construct several floral designs to be completed in class and taken home.
- I understand that I may choose to find a sponsor for my student.
- I understand that my student will be encouraged to obtain certification in the Texas State Floral Association Student Certification Program.
- I understand that for an additional \$30.00, my student will become a member of the Clear Falls FFA Chapter for the 2020-21 school year.
